WentWest Limited - Non-Executive Board Directors

Location: Western Sydney | Part-Time | Remunerated

Shape the future of health in Western Sydney

About WentWest

WentWest partners with health professionals, service providers, and communities to deliver innovative, integrated, and locally responsive healthcare solutions. This is a unique opportunity to contribute your expertise to an organisation committed to transforming the health system and improving outcomes for the diverse communities of Western Sydney.

About the Roles

WentWest is inviting expressions of interest for the appointment of two **Non-Executive Board Directors** to help drive systemic change in one of Australia's most diverse health regions.

The role of a WentWest Board Director is to contribute to the governance, strategic direction, and oversight of the organisation. Board Directors ensure that WentWest operates in alignment with its mission and complies with all legal, ethical, and financial responsibilities, while remaining responsive to community needs and stakeholder expectations.

As a **Non-Executive Board Director**, you will:

- Provide strategic leadership and oversight
- Monitor financial and organisational performance
- Help guide risk management and ethical governance practices
- Provide strategic financial guidance including oversight of budgeting, reporting, and long-term sustainability.
- Contribute insights on business development, growth opportunities, and ensuring regulatory compliance and financial integrity.

What We Are Looking For

We are looking to fill two roles, each requiring in-depth expertise in one of the following areas:

Position 1 - **Finance, Business, Commercial Acumen**

Position 2 – **Digital and Data**

- Expertise in the area of focus for either position 1 or position 2
- Strong business acumen
- Governance experience
- Financial literacy and an understanding of risk and compliance responsibilities
- A strong understanding of the healthcare system and commitment to health equity and system change
- Strategic thinking and collaborative leadership

Board Commitments

- 9-10 Board meetings per annum - approx. 3 hours plus preparation
- Participation in one Board committee (Finance, Audit and Risk Management Committee, Governance & Nominations Committee and 1 Western Sydney Committee)
- Strategic planning sessions, AGM and relevant key stakeholder engagements

Why Join Us?

- Join a values-driven Board committed to health equity, innovation, and measurable impact
- Shape better health outcomes for Western Sydney
- Paid Non-Executive Board Director role
- Join a skilled, collaborative and impact-driven Board
- Help influence the future of Australia's health system
