

Immunisation Bike Competition 2023

Communications Content for Participating Practices

Key messages:

- Immunise on time
- Immunisation leads to a healthier future
- Prizes are for eligible children

Email

Subject:

*Reminder: It's Time to Book **[insert child's name]**'s Immunisation*

Dear **[insert parent's name]**,

[Insert child's name] is due for their immunisation.

It is important for children to receive their vaccinations on time to ensure a healthier future.

Our practice is currently participating in the Immunisation Bike Competition which offers eligible children a chance to enter to **win a bike and helmet** once they've been vaccinated. Children aged 12 months, 18 months, and four years who receive their immunisation during the competition period can sign up to win.

Please contact us to book an appointment and help your child build a stronger immune system.
