

The
Westmead
Association

A photograph of the Westmead precinct building, a modern multi-story structure with a prominent black facade. The building is set against a clear blue sky. In the foreground, there are several palm trees and a green lawn area. The building's name 'WESTMEAD precinct' is visible on the facade. A large, stylized 'W' logo is visible on a tower in the background.

precinct

**PRELIMINARY
PROGRAMME**

2024
HOSPITAL WEEK

21st 22nd 23rd August

Castaldi/Little Oration – A/Professor Terry McGee

DAY 1

Wednesday 21st August

09.00 - 17.00 EPILEPSY SYMPOSIUM

Welcome

Chairperson: **A/Professor Chong Wong**
(Head of Department, Neurology, Westmead Hospital)

Evolution of Epilepsy Program at Westmead Hospital

A/Professor Andrew Bleasel
(Senior Staff Specialist, Neurology, Westmead Hospital)

Stereoencephalography (SEEG): A paradigm shift in intracranial EEG evaluation

A/Professor Chong Wong

Laser Ablation (LiTT): An emerging treatment for drug resistant epilepsy

A/Professor Mark Dexter

(Head of Department, Neurosurgery, Westmead Hospital)

Continuous EEG monitoring in ICU: utility, challenges, and opportunities

A/Professor Michael Fong

(Staff Specialist, Neurology, Westmead Hospital)

Neuromodulation: state of the art and future directions

Dr. Christian Zentner

(Senior Staff Specialist, Neurology,
Prince of Wales Hospital)

Navigating rare disease: TSC

Dr. Zebunnessa Rahman

(Senior Staff Specialist, Neurology,
Westmead Hospital)

Expert opinion on emerging epilepsy drugs

Dr. Manori Wijayath

(Senior Staff Specialist, Neurology,
Westmead Hospital)

Updates on Epilepsy and Driving

Professor Ernest Somerville

(Director, Comprehensive Epilepsy Service,
Prince of Wales Hospital)

Diving deep on epilepsy genetics

A/Professor Deepak Gill

(Director, Comprehensive Epilepsy Service,
Westmead Children's Hospital)

Food for thought: Ketogenic diet as epilepsy treatment

Dr. Tania Farrar

(Staff Specialist, Neurology, Royal North Shore Hospital)

Ketogenic Food Plan – Dietitian approach in adult epilepsy

Ms. Veronica Mok

(Dietitian, Ryde Hospital)

08.45 - 12.00 PSYCHIATRY SYMPOSIUM

OUT OF SIGHT OUT OF MIND: HOMELESSNESS AND MENTAL ILLNESS

Chairperson: **Dr. Sara Ghaly**
(Senior Staff Specialist Psychiatrist, Westmead Hospital)

Introduction
Dr. Sara Ghaly

Homeless Mental Health Service

Dr. Cameron Armstrong

(Staff Specialist Psychiatrist, Homeless Persons Mental Health Team
(HPMHT), Westmead Hospital)

Western Sydney Specialist Homelessness Services

Ms. Angela Daynes

(Operations Manager, Uniting NSW ACT)

Domestic and Family Violence

Ms. Nicole Diab

(Domestic and Family Violence Practice Coach, Uniting NSW ACT)

Homelessness and mental illness?

Doing our best to treat psychosis

Keynote Speaker: **Professor Olav Nielssen**

(Professor of Psychiatry, Macquarie University,
visiting psychiatrist,
Matthew Talbot Hostel Clinic, consultant to Mindspot Clinic,
Founder and Chair of Habilis Housing)

09.00 - 12.00 SURGICAL INNOVATIONS

Chairperson: **Professor Henry Pleass**
(Head of Westmead Clinical School, Professor
of Surgery Westmead Clinical School, Department
of Surgery Westmead Hospital, Faculty
of Medicine and Health, The University of Sydney)

CICADA support for innovation

Dr. Lilly Bojarski

(General Manager CICADA innovations)

Innovation as part of my PhD

Mr. Turaab Hader Khan

(Engineer, PhD Student University of Sydney)

Creating a startup and IP

Dr. Jeremy Kwarcinski

(Engineer, Managing Director iiShield Plc)

Innovation in training and education

Mr. Nathan Moore

(Senior Lecturer, Education innovation, FMH Media Lab)

Innovation in Transplantation

Professor Henry Pleass

DAY 1

Wednesday 21st August

09.00 - 12.00 GASTROENTEROLOGY SYMPOSIUM

INFLAMMATORY BOWEL DISEASE SYMPOSIUM: CURRENT THERAPIES AND NEW FRONTIERS

Chairpersons: **Dr. Vu Kwan**
(Staff Specialist Gastroenterology,
Westmead Hospital)

A/Professor David Van Der Poorten
(Staff Specialist Gastroenterologist,
Westmead Hospital)

Case presentation – Patient AL Mr. Anthony Loulach

Current Management of IBD in 2024

Dr. Viraj Kariyawasam (TBC)
(Consultant Gastroenterologist
and Hepatologist)

The role of food in the treatment of IBD

Dr. Deepa Mahananda
(GP Specialist)

**The gut microbiome
and FMT for
inflammatory bowel disease**
A/Professor David Van Der Poorten

New Frontiers – novel new therapies for IBD

A/Professor Aviv Pudipeddi
(Consultant Gastroenterologist,
Concord Hospital)

Past and present surgical techniques for IBD

A/Professor James Toh
(Colorectal and General Surgeon,
Westmead Hospital)

13.00 - 14.00

Castaldi/Little Oration
A/Professor Terry McGee

14.00 - 17.00 WHAT MAKES A MASTER CLINICIAN SYMPOSIUM

Chairperson: **Professor Paul Harnett**
(Director Cancer Services, Sydney West Cancer Network,
Crown Princess Mary Cancer Centre Westmead,
Westmead Hospital)

Introduction and Welcome
Professor Paul Harnett

**What makes a good doctor and how
can the Inspire Program help?**
Professor Paul Harnett

**Inspired care in the Emergency Department
– the “Iced T” project**

Dr. Rachel Boddy
(Senior Staff Specialist, Emergency Medicine,
Westmead Hospital)

Inspired care on the wards
Professor Paul Harnett

**Clinical Snapshots
– “Moments that matter” or “the good,
the bad and the ugly”**

Professor Henry Pleass
(Head of Westmead Clinical School, Professor of
Surgery Westmead Clinical School, Department
of Surgery Westmead Hospital)

**Mentors who inspired us.
“I always remember what
my old boss said...”**
Speakers TBC

**What do we need to keep the art
of medicine Inspired at Westmead**
Panel Discussion
TBC

DAY 1

Wednesday 21st August

14.00 - 17.00 RHEUMATOLOGY SYMPOSIUM

Chairperson: **Clinical Professor Peter Wong**
(Head of Department, Rheumatology, WSLHD, Honorary Medical Director and Board Member, Healthy Bones Australia)

Welcome and Introduction
Clinical Professor Peter Wong

Stem cell transplantation for scleroderma
Dr. Ross Penglase
(Rheumatologist, St Vincent's Hospital, Sydney)

Gout
– a public health burden in Western Sydney
Dr. Ken Cai
(Staff Specialist Rheumatologist, WSLHD)

Microbiome and psoriatic arthritis
Dr. Bev Ng
(Staff Specialist Rheumatologist, St George Hospital and Rheumatology VMO, WSLHD)

Back pain
– a multi-disciplinary approach
Dr. Wendy Lau
(Staff Specialist Rheumatologist, WSLHD)

Dr. Seema Radhakrishnan
(Rehabilitation Physician, WSLHD)
Ms. Katherine Maka OAM
(Dept of Physiotherapy, Westmead Hospital)
Ms. Dragana Cernja
(Senior Physiotherapist, Westmead Hospital)
Dr. Andrew Kam
(Neurosurgeon and Lead, Back Clinic, Westmead Hospital)

Autoimmune disease and pregnancy
Dr. Shi-nan Luong
(Staff Specialist Rheumatologist, WSLHD)

Osteoporosis Update
Clinical Professor Peter Wong

Questions and Answers and closing comments
Clinical Professor Peter Wong

14.00 - 17.00 OPHTHALMOLOGY SYMPOSIUM

Chairperson: **A/Professor Andrew White**
(Director, Ophthalmology Department, Westmead Hospital)

Introduction
A/Professor Andrew White

EyeSi: Surgical Simulators and Ophthalmic Surgical Training
Dr. Samantha Bobba
(Registrar, Ophthalmology Department, Westmead Hospital)

Early intervention for Endophthalmitis
Dr. Anna Britton
(Registrar, Ophthalmology Department, Westmead Hospital)

The Evolution of Corneal Transplant Surgery
Dr. Saadiyah Goolam
(Ophthalmologist, Ophthalmology Department, Westmead Hospital)

Update on Medical Management of Thyroid Eye Disease
The Era of Immunotherapy
Dr. Josephina Ihl
(Clinical Fellow, Ophthalmology Department, Westmead Hospital)

Advances in Glaucoma Surgery
Dr. Yen Chen
(Clinical Fellow, Ophthalmology Department, Westmead Hospital)

Neuroprotection in Glaucoma: A World First Westmead Based Clinical Trial
A/Professor Andrew White

DAY 1

Wednesday 21st August

DAY 2

Thursday 22nd August

14.00 - 17.00 TISSUE PATHOLOGY SYMPOSIUM

Chairperson: **A/Professor Elizabeth Salisbury**

(Clinical Director, Department of Tissue Pathology and Diagnostic Oncology, Institute of Clinical Pathology and Medical Research, Westmead Hospital, Clinical Associate Professor, University of Sydney, Conjoint Associate Professor, Western Sydney University)

Introduction and Welcome
A/Professor Elizabeth Salisbury

**Future directions in Histopathology
– How AI will change the role of Tissue Pathologists
and Scientists**

A/Professor Elizabeth Salisbury

Inflammatory polyposis of the colon

Dr. Duncan McLeod

(Staff Specialist Pathologist, Tissue Pathology and Diagnostic Oncology, ICPMR, Westmead Hospital)

**Cytological features of ROS 1 rearranged
pulmonary inflammatory myofibroblastic tumour**

Dr. Benjamin Spann

(RCPA Trainee, Tissue Pathology and Diagnostic Oncology, ICPMR, Westmead Hospital)

EBV related tumours

Dr. Vishnu Subramanian

(Staff Specialist Pathologist, Tissue Pathology and Diagnostic Oncology, ICPMR, Westmead Hospital)

**Monoclonal Gammopathy of
Renal Significance (MGRS)
– Westmead experience**

Dr. Seetha Viswanathan

(Staff Specialist Pathologist, Tissue Pathology & Diagnostic Oncology, ICPMR, Westmead Hospital)

Questions & Discussion

09.00 - 12.30 CONGENITAL HEART DISEASE SYMPOSIUM

Chairperson: **Professor Robert Denniss**

(Head of Cardiology, Westmead Hospital)

**Lifestyle approach to ACHD management
– focus on transition**

Dr. Kate English

(Cardiologist, Royal Melbourne Hospital)

**Practical strategies to improve transition
within the Westmead Precinct
Panel Discussion**

**Role of multimodality imaging in CHD imaging
in the Westmead Precinct**

Dr. Preeti Choudhary

(Cardiologist, Westmead Hospital)

Dr. Julian Ayer

(Cardiologist, Children's Hospital Westmead)

Dr. Adam Keighly

(Paediatric Imaging Registrar, Children's Hospital Westmead)

**Paediatric inherited cardiac conditions
– what should the adult Cardiologist know?**

Dr. Claire Lawley

(Cardiologist, Children's Hospital Westmead)

CHD arrhythmia ablation

A/Professor Stuart Thomas

(Cardiologist, Westmead Hospital)

Dr. Christian Turner

(Cardiologist, Children's Hospital Westmead)

**History of CHD surgery in the
Westmead Precinct**

Dr. Ian Nicholson

(Head of Cardiothoracic Surgery, Children's Hospital Westmead and Cardiothoracic Surgeon, Westmead Hospital)

**Cardiac rehabilitation for
Westmead ACHD
patients over the last 10 years**

Mr. Robert Zecchin

(Nurse Unit Manager, Cardiac Rehabilitation Services, WSLHD)

ACHD percutaneous interventions

Dr. David Tanous

(Cardiologist, Westmead Hospital)

Dr. Philip Roberts

(Network Head of Cardiology, Sydney Children's Hospital Network)

Dr. David Makarious

(Cardiology Registrar, Westmead Hospital)

DAY 2

Thursday 22nd August

09.00 - 12.45 QUALITY AWARDS SYMPOSIUM

Chairperson: **Dr. Hatem Elkady**
(Director, Safety & Quality, Westmead Hospital)

Welcome and Introduction

Oral Presentations

Sustainable healthcare: high value, low carbon
Keynote Speaker: Professor Alexandra Barratt

(Lead Researcher: Wiser Healthcare, Co-lead: Health System Resilience and Sustainability: HEAL Network, Academic Partnership: NSW Health Climate Risk & Net Zero Unit, Co-lead: Clinical Care Working Group of the Lancet Commission on Sustainable Healthcare)

Prize Giving & Closing Remarks

09.00 - 12.00 RENAL MEDICINE SYMPOSIUM

Chairperson: **Professor Germaine Wong**
(Director, Department of Renal and Transplantation Medicine, Westmead Hospital)

**Maximising donor sources:
Ethics of organ donation from voluntary assisted
and expanded criteria donors**

Dr. Melanie Wyld

(Staff Specialist, Renal and Transplantation Medicine, Westmead Hospital)

**SGLT2i and GLP1 agonists in CKD
– reno and cardioprotective benefits**

Dr. Jennifer Li

(Staff Specialist, Renal and Transplantation Medicine, Westmead Hospital)

**Islet Cell Transplantation:
an update on Clinical Trials**
Professor Natasha Rogers

(Head of Clinical Transplantation, Westmead Hospital)

Genetic testing in CKD
Professor Gopala Rangan

(Senior Staff Specialist, Renal and Transplantation Medicine, Westmead Hospital)

**Hemodiafiltration or Haemodialysis:
Time for change?**

A/Professor Vincent Lee

(Senior Staff Specialist, Renal and Transplantation Medicine, Westmead Hospital)

IgA therapeutics: Cure for the incurable
Dr. Richard Phoon

(Senior Staff Specialist, Renal and Transplantation Medicine, Westmead Hospital)

Panel Discussion

Chairperson: **Professor David Harris**
(Head of Dialysis, Renal and Transplantation Medicine, Westmead Hospital)

09.00 - 12.00 ORTHOPAEDICS SYMPOSIUM

Chairperson: **Dr. Mohammed Baba**
(Orthopaedic Surgeon, Westmead Hospital)

Introduction

Dr. Mohammed Baba

3D Printing in orthopaedic surgery
Dr. Andrew Kanawati

(Orthopaedic Surgeon, Westmead Hospital)

**Contemporary management of
pelvic ring injuries
at Westmead Public Hospital**
Dr. Matthew Jones

(Orthopaedic Surgeon, Westmead Hospital)

**Common foot and ankle presentations
in the
emergency department**

Dr. Mayuran Suthersan

(Orthopaedic Surgeon, Westmead Hospital)

**Sports knee injuries, burden of an
athletic nation
and controversies in treatment**

Dr. David Drynan

(Orthopaedic Surgeon, Westmead Hospital)

**Westmead Hospital Hip
Fracture Service**

Ms. Belinda Mitchell

(Orthopaedic Clinical Nurse Consultant, Westmead Hospital)

**Implementation of QR Codes
for Plaster Cast Care at
Westmead Public Hospital**

Mr. Jon Nascimben

(Orthopaedic Physiotherapist, Westmead Hospital)

Panel Discussion

DAY 2

Thursday 22nd August

09.30 - 16.30 **PHYSIOTHERAPY SYMPOSIUM**

PHYSIOTHERAPY: COLLABORATING FOR SUCCESS

Chairperson: **Ms. Katherine Maka OAM**
(Head of Department, Physiotherapy, Westmead Hospital)

The Westmead Spinal ERAS program: Inception, Evolution and Future Directions

Dr. Yingda Li
(Neurosurgeon, Westmead Hospital, Clinical Senior Lecturer,
University of Sydney)

What is it about Multifidus Dr. Andrew Kam

(Neurosurgeon, Westmead Hospital)

Diagnostic labels and advice for low back pain: evidence from randomised experiments

Dr. Joshua Zadro
(Fellow, Sydney Musculoskeletal Health & Institute
for Musculoskeletal Health, University of Sydney, SLHD)

Placebo controlled trials of spinal surgery – why, when and how?

Professor Manuela Ferreira
(Head of Musculoskeletal Health Program,
The George Institute for
Global Health, UNSW)

Panel Discussion

Chairperson: **Professor Kathryn Refshauge**
(Co-Director Brain and Mind Centre, and Emeritus
Professor, University of Sydney)

Introduction & Housekeeping

Chairperson: **Ms. Melani Boyce**
(Clinical Specialist Physiotherapist in
Neurosciences, Westmead Hospital)

Updates on concussion assessment and management from a Physiotherapy lens

Ms. Shreya McLeod
(Discipline of Physiotherapy, School of Allied Health,
Faculty of Health Sciences, Australian Catholic University)

Optimising the patient journey: ED to Hand Therapy

Ms. Kylie Flynn (Senior Physiotherapist, Hand Therapy,
Westmead Hospital)

You've been raided

Ms. Laura Buckler (Senior Physiotherapist, RAID,
Westmead Hospital)

Let's talk about frailty – initiatives to improve patient care and health system efficiency

Mr. Sandeep Gupta
(Head of Physiotherapy, Canterbury Hospital,
Frailty Expert Advisory Group)

**Physiotherapy management of lower
- level patients in BIU (Brain Injury Unit)**
Ms. Tahlia Shaw (Senior Physiotherapist, Brain Injury Unit,
Westmead Hospital)

SMART Rehabilitation – Management of a Challenging Bariatric Case

Ms. Cath Liang
(Senior Physiotherapist, SMART, Westmead Hospital)

Promoting the Physiotherapy Postnatal class
Ms. Bronwyn Edney (Senior Physiotherapist, Women's Health,
Westmead Hospital)

**Transperineal Real Time Ultrasound for Prostate
Cancer Survivors
– improved bladder outcomes and direction for research**
Mr. Matthew Crawshaw (Senior Physiotherapist, Men's Health,
Westmead Hospital)

Implementing technology in Australian public and private rehabilitation settings: barriers and facilitators for adoption and implementation

A/Professor Leanne Hassett (Sydney School of
Health Sciences, Faculty of Medicine and Health,
University of Sydney)
Ms. Louise Pearce (Institute for Musculoskeletal Health,
University of Sydney)

Frailty is not an inevitable part of ageing!
Ms. Lijiana Gibson (Senior Physiotherapist, Geriatrics,
Westmead Hospital)

Early mobilisation in the ICU
Ms. Cadi Fanning (Senior Physiotherapist, Acute Team Leader,
Westmead Hospital)

Closing comments / Wrap up

13.00 - 14.00

The Great Debate

Adjudicator: Kavita Varshney

Is AI making us lazier or smarter?

Affirmative:

David Van Der Poorten
Gaya Jayasinghe
Chris Nahm

Negative:

Mark Priestley
Laura Brown
Hatem Elkady

DAY 2

Thursday 22nd August

14.00 - 17.00 STROKE SYMPOSIUM

Chairperson: **Dr. Andrew Evans**
(Geriatrician and Stroke Physician, Westmead Hospital)

Introduction and Welcome
Dr. Andrew Evans

Large Vessel Stroke: Advances in Interventional Neuroradiology

Dr. Alice Ma
(Consultant Vascular & Interventional Neurologist,
Westmead & Royal North Shore Hospitals)

The Role of the Specialist Stroke Nurse

Ms. Kylie Tastula
(Stroke Nurse Practitioner,
Royal Prince Alfred Hospital NSW)

Small Vessel Stroke: How is it different? Lessons from CADASIL and beyond

Professor Michael O'Sullivan
(Consultant Neurologist,
Institute for Molecular Bioscience UQ &
Royal Brisbane and Women's Hospital, QLD)

Telemedicine for Stroke

Dr. Bill O'Brien
(Consultant Stroke Neurologist, Gosford Hospital
& NSW Telestroke Service)

14.00 - 17.00 ADOLESCENT VAPING SYMPOSIUM

HEALTH HARMS, PREVENTION AND CESSATION

Chairperson: **Professor Smita Shah OAM**
(Director, Prevention Education and Research Unit
(PERU), Research and Education Network, WSLHD)

Welcome and Introduction
Professor Smita Shah OAM

Health harms of e-cigarette use
Professor Matthew Peters AM
(Professor Macquarie University Hospital,
Head of Respiratory Medicine,
Concord Hospital)

Emerging evidence of health harms

Ms. Andie Thorpe
(PhD student, University of Technology Sydney
& Woolcock Medical Institute)

Chemical analysis and flavour distribution of e-cigarettes in Australian school

Dr. Jody Moller
(Director of First Year Chemistry, University of Wollongong)

Fact or fiction: Debunking the myths around e-cigarettes

A/Professor Michelle Jongenelis
(Associate Professor, Centre for Behaviour Change,
University of Melbourne)

Prevention and cessation interventions to address vaping

A/Professor Emily Stockings
(Associate Professor, University of Sydney)

Moving waves in prevention: a community wide approach to address adolescent e-cigarette use

Ms. Catriona Lockett
(Research Officer, PERU, Westmead Hospital,
PhD student University of Sydney)

Supporting clinicians to provide e-cigarette cessation services in WSLHD

Dr. Geshani Jayasuriya
(Staff Specialist, Respiratory and Sleep Medicine, The Children's
Hospital, Westmead and John Hunter Children's Hospital)

Panel & Question Time
Professor Smita Shah OAM

DAY 2

Thursday 22nd August

DAY 3

Friday 23rd August

14.00 - 17.00 **PREGNANCY CARE SYMPOSIUM**

THE PREGNANCY SYMPOSIUM: WHAT WOMEN WANT

Chairpersons: **A/Professor Greg Jenkins**
(Head of Department, Obstetrics & Gynaecology,
Westmead Hospital)

Ms. Julie Swain (Deputy Director Nursing & Midwifery,
Westmead Hospital)

Welcome
A/Professor Greg Jenkins
Ms. Julie Swain

Cervical screening in antenatal care program

Dr. Mandy Wang (Registrar, Obstetrics & Gynaecology,
Westmead Hospital)

Dr. Christine Tran (Registrar, Obstetrics & Gynaecology,
Westmead Hospital)

A/Professor Marjan Khajehei (Clinical Midwifery Consultant,
Westmead Hospital)

A/Professor Therese McGee (Senior Staff Specialist,
Obstetrics & Gynaecology, Westmead Hospital)

Enhancing Antenatal Care Delivery Project (ENACAR project)

Ms. Beata Gidaszewski (Clinical Midwifery Consultant,
Westmead Hospital)

Dr. Emma Inglis (Staff Specialist, Obstetrics & Gynaecology,
Westmead Hospital)

Birth autonomy and vaginal breech birth

Ms. Michelle Underwood (Clinical Midwifery Consultant,
Westmead Hospital)

Dr. Gaya Jayasinghe (Staff Specialist, Obstetrics & Gynaecology,
Westmead Hospital)

Breastfeeding: not just about the baby

Ms. Sarah Melov (Clinical Midwifery Consultant,
Westmead Hospital)

Newborn phototherapy at home

A/Professor Marjan Khajehei
A/Professor Therese McGee

From high to heartbreak: supporting families through perinatal loss

Ms. Laura Tan (Bereavement Midwives, Westmead Hospital)

Ms. Rita Khoury (Bereavement Midwives, Westmead Hospital)

Abortion care in a large public hospital

Dr. Naim Arrage (VMO, Obstetrics & Gynaecology,
Westmead Hospital)

Closing remarks
A/Professor Greg Jenkins
Ms. Julie Swain

09.00 - 12.15 **PATIENT SAFETY SYMPOSIUM**

Chairperson: **Dr. Hatem Elkady**
(Director, Safety & Quality, Westmead Hospital)

Welcome
Dr. Hatem Elkady

Human Factors

Mr. Ryan Thomas

(Program Lead Human Factors,
Clinical Excellence Commission)

Cost efficiency and effectiveness for Safety initiatives and Quality improvement

Keynote speaker: **Ms. Susan Dunn**
(Director of Activity Based Management, Ministry of Health)

Safety team overview

Ms. Summer Byrne

(A/Patient Safety Manager, Westmead Hospital)

Morbidity & Mortality & Merit

Dr. Angela Hamilton

(Staff Specialist, Safety & Quality, WSLHD)

Implications of P4p in the healthcare safety and quality

Mr. Luke Slawomirski

(Health Economist, Menzies Institute
for Medical Research)

Safety huddles following serious incidents

Ms. Christine Caloudis

(Patient Safety Officer, Westmead Hospital)

Open Disclosure micro skills

Mr. Murray Roberts

(Patient Experience Manager, Westmead Hospital)

Education program for safety team

Ms. Anuja Robbins

(Patient Safety Officer, Westmead Hospital)

DAY 3

Friday 23rd August

10.00 - 12.30 ALLIED HEALTH SYMPOSIUM

Chairperson: **Ms. Marie Fournaris**
(Director Allied Health, Executive Unit Westmead Hospital)

Welcome and Introduction
Ms. Marie Fournaris

NSW Health: Where are we now? The case for change
A/Professor Jacqueline Dominish OAM
(Director Health Professional Workforce, NSW Ministry of Health)

Oral Allied Health Research Presentations

Prize Giving

09.00 - 12.45 NURSING & MIDWIFERY SYMPOSIUM

Chairperson: **Ms. Mary Roberts**
(Clinical Nurse Consultant, Respiratory Medicine, Westmead Hospital)

Welcome and Introduction
Ms. Carmen Morgan
(Director of Nursing and Midwifery Services, Westmead Hospital)

“Delusions of Grandeur?”
Building a professional vision as a leader in research and practice

A/Professor Janice Gullick
(University of Sydney)

Nursing and Midwifery Oral Presentations

Prize Giving

09.00 - 12.00 DENTAL SYMPOSIUM

Chairperson: **Dr. Tony Skapetis**
(Clinical Director of Education, Oral Health, WSLHD)

Welcome and Introduction

Maxillofacial presentations for the dental team
Dr. Dong Tony Cheng
(Oral & Maxillofacial Registrar, Westmead Hospital)

Medically complex patients:
what you need to know
Dr. Stephanie Rose
(Registrar, Oral Medicine, WSLHD Oral Health)

Maxillofacial reconstructions
Dr. Christine Wallace
(Head of Department, Oral Restorative Sciences, WSLHD Oral Health)

09.00 - 13.30 RESEARCH SYMPOSIUM

Chairperson: **Dr. Dinny Graham**
(Westmead Breast Cancer Institute, Westmead Hospital & Centre for Cancer Research, Westmead Institute for Medical Research)

Research Oral Presentations

Equity Enemas: Cleansing or Continuation of Inequalities in Health Care and Research

Professor Alexandra Martiniuk
(The University of Sydney School of Public Health, Faculty of Medicine and Health Honorary Senior Research Fellow, The George Institute for Global Health, Adjunct Professor, The University of Toronto)

The Research Debate

The Great Research DEBATE

Adjudicator: **Dr. Dinny Graham**

Egos and Estrogens: women drive the research discoveries; men just mansplain them

FOR	AGAINST
A/Prof Joanne Read	Prof Cameron Webb
Prof Mark Douglas	Prof Ruby Lin
Prof Rosemary Balleine	Mr. Heeva Baharlou

Award of Research Prizes & Closing Remarks

REGISTRATION

To register to attend any sessions during Hospital Week please email:

georgette.hanna@health.nsw.gov.au

(Registration is free but is essential for catering purposes)
