MACARTHUR &
WESTERN SYDNEY

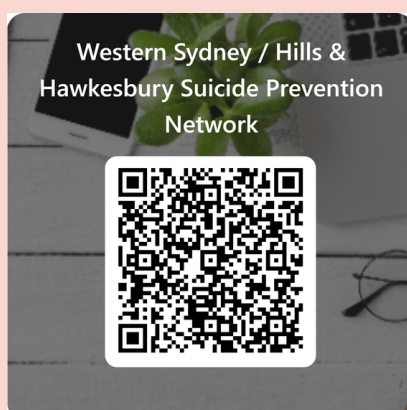

Western Sydney, Hills and Hawkesbury Suicide Prevention Network

With guidance under the NSW Community Collaborative and the national best practice for community led-suicide prevention, the Western Sydney, Hills and Hawkesbury Suicide Prevention Network works closely with Community Response Groups (CRG) and Regional Planning processes to provide opportunities to engage with the development and implementation of an Action Plan with members, partners, and stakeholders.

The SPN, under the Western Sydney Suicide Alliance model focuses on:

- Information sharing and supporting partnerships across the region
- Understanding local trends, challenges and opportunities
- Engaging the community across prevention, aftercare, postvention and promotion of wellbeing
