Mays Hill	Mantraraj Medical Centre	Shop 1. 161 Great Western Highway. Mays Hill. NSW - 2145	Contract	RN	This is a full-time, on-site Nurse Practitioner (Orthopaedic) role based in the Greater Sydney Area. The Nurse Practitioner will provide advanced clinical care to orthopaedic patients, including assessment, diagnosis, treatment planning, and follow-up. Daily responsibilities include conducting physical examinations, ordering and interpreting diagnostic tests, prescribing medications within scope, and coordinating pre- and post-operative care. The role involves close collaboration with orthopaedic surgeons, physiotherapists, nurses, and other healthcare professionals to deliver integrated care. The Nurse Practitioner will also educate patients and families on treatment plans, rehabilitation, and self-management, contribute to clinical documentation, and support quality improvement initiatives within the orthopaedic service. Qualifications • Current registration as a Nurse Practitioner with the relevant Australian regulatory body and eligibility to practice in New South Wales. • Postgraduate qualifications in nursing, with orthopaedic or musculoskeletal specialisation highly desirable. • Demonstrated experience in orthopaedic or acute surgical settings, including advanced patient assessment and clinical decision-making. • Strong skills in care planning, medication management, and coordination of multidisciplinary care for pre- and post-operative patients.
