

Supported by WentWest as the Western Sydney Primary Health Network

EOI Form for the AuTOMATIC Study

Please fill in your contact information below to express your interest in participating in the AuTOMATIC study, which will aim to optimise SMS reminders for childhood vaccinations. This project is sponsored by the Telethon Kids Institute.

Once you submit this form, your details will be passed onto a member of the AuTOMATIC study team who will contact you to discuss the study in more detail.
