

St John of God Health Care  
Raphael Services

# PERINATAL MENTAL HEALTH WEEK

Raphael services invites you to a presentation by Dr Maryam Aghdaee, Consultant Psychiatrist at Raphael services. The evening will be an interactive GP session with case discussion to facilitate learning. This will be an opportunity to learn and discuss about:

- ◆ Antenatal depression, prevalence and clinical significance
- ◆ Postnatal depression, epidemiology, clinical features, assessment and diagnosis
- ◆ Pharmacological treatment and breast feeding infants, safety of exposure to anti-depressants

**When: Thursday 17th November 2022 at 17:00-18:00**

**Where: 36-38 First Avenue. Blacktown NSW. 2148.**

Raphael Services.
