

Western Sydney GP COVID Support Team

Assisting GPs in the management of COVID-19 positive patients in the community

Western Sydney Primary Health Network has partnered with MQ Health to provide a dedicated support service for GPs in Western Sydney who are managing COVID-19 positive patients in the community.

The **Western Sydney GP COVID Support Team** offers three tiers of support for GPs from triage to advice, and referral.

You can call the Western Sydney GP COVID Support Team
between 8am and 8pm on weekdays and 8am and 4pm on weekends on:

9812 3587

For less urgent assistance, GPs can email the support team at wscovidGP@wentwest.com.au

For more information, view our HealthPathways or contact our Helpdesk on 8811 7117.
